

**Donna Furr**  
**Facialist and Master Permanent Cosmetic Artist**

Donna Furr, a lifelong Dallasite, fell in love with the Permanent Cosmetics over eight years ago, after attending a class to learn how to apply Permanent Cosmetic makeup. She immediately realized how exciting it could be to help others boosting self image, their self esteem and confidence by enhancing their natural beauty with this remarkable new technology.

This new career also allowed her to use her natural artistic talents, her sense of fashion and technical expertise in choosing shapes, size or the perfect color blend for your skin tone. This is great for those who lack the eyebrows that frame a face, the depth of color that's needed to light up your eyes or shaping your lips, you will love getting a permanent makeover that will last longer than a day and years to come.

Donna specializes in pain control with topicals making sure that each client is as comfortable as possible throughout the procedure.

In addition to Permanent Cosmetics Donna is also one of the most knowledgeable persons in the industry when it comes to skin care. Let her experience, expertise talent work for you. She'll be happy to help you better understand how to use the best products that can correct texture, improve sun damage and change your skin. Clients are seeing great results and enjoying the once again "Youthful" look and feel. Consultation is available with Donna on an individual basis.

As a licensed Aesthetician by the State of Texas Cosmetology since 2004, Donna is the consummate professional, constantly learning about the newest techniques for permanent cosmetics, and new products and/or protocols for skin care. She worked at several spas fine tuning her skills before coming to Belfiore Spa, in Rockwall, Texas, Bel Fiore offers a classic, high-end atmosphere, with a warm and inviting ambiance that makes clients immediately feel right at home.

Donna reminds her clients constantly, *"Life is best when you look and feel your best, so take care of yourself, take time to relax, and reward your mind, body and soul."*
